

Start: Lessach

Total distance: 15.9 km

Lowest / Highest Point: 1174 m / 1848 m

Total gains: 671 vm

Tour Description

Start in Lessach / church - after ca. 150 m turn left, past the Bacherhof to the Engelrammerhof – from the gate, on a forestry road as far as KM 7.5 – follow the path as far as the Wildbachhütte (KM 8.7) – from the Wildbachhütte, initially very steep forestry road downhill - from KM 12.1, paved supply lane as far as the main road (KM 15.1) - Lessach / church.

Tip: Bike & Hike

Cones of Power and Gumma Mountain
Behind the playground next to the Wildbachhütte, a narrow trail (path No. 765) leads to the avalanche cones, thought to be sources of natural power. From there, the trail continues slightly east to the Gumma. Actual walking time ca. 1.5 hours.

Hut along the route

Wildbachhütte (1806 m) / Lessachtal

Open to the public: end of June until the beginning of October

Overnight accommodations: yes
